

This two-stream trash and recycling receptacle is stylish and contemporary. The Grand Recycler 40-Gallon Stainless Steel Waste and Recycling Container performs well in high traffic areas and supports your sustainability requirements. Screened decals and logos for Trash and Mixed Recyclables clearly identify this receptacle and encourage proper sorting. This container includes two metal pull-out liners and a decorative stainless steel lid with distinctive openings for Trash and Mixed Recyclables, facilitating convenient disposal and hassle-free maintenance.

KEY BENEFITS & FEATURES:

- Constructed from recycled heavy gauge 304-grade stainless steel and powder-coated steel; it won't easily rust and its hygienic surface has no pores that harbor dirt or bacteria for an extremely long service-life
- Material is easy to maintain and clean, saving you time and hassle
- Open top split lid for trash and recycling encourages proper sorting
- Two galvanized 20-gallon liners with handle keeps contents enclosed and is easy to maintain
- 100% Recyclable after use
