Designed with security in mind, this see-through trash can allows safe and easy inspection. The Lookout Waste Receptacle is designed with safety in mind. This 55-gal capacity waste bin has clear panels that make it easy to see what's inside. This makes it great for arenas, airports, train stations and anywhere security is a priority. It also boasts of black heavy-duty steel construction with drain holes and an ability to anchor for added security. This clear paneled waste receptacle measures 23.5" x 40" and weighs 90 lbs. With a flat open top, it makes for sanitary waste disposal and easy clean-up. It has a protective coated base and a retainer band to secure bag liner. It is made in the USA.

Fire-safe steel frame with thick, weather-resistant plexiglass side panels and a rust-resistant, powder coated base. Large capacity container for areas where frequent emptying is not always an option. Retainer bands secure trash bags in place. Drain holes at base keep water from pooling inside. Top lifts off for easy emptying; security strap keeps it tethered to the base. For indoor or outdoor use. Includes zinc coated leveling feet and anchor kit for surface mounting.
