

Add durability and style to your site with the Parkview™ DualCoat trash and recycling receptacles. The proven two-step coating process starts with an ultra-durable e-coat primer that ensures strong adhesion of the outer powder coating to reduce chipping and prevent rust. The outer powder coating meets AAMA 2604 Standard for color retention and is resistant to salt spray. Parkview™ DualCoat receptacles are built for long-term performance and look, standing up to even the harshest conditions like recreation sites near salt water coasts, boardwalks, campuses, etc. Plus, receptacles can also be personalized with a custom logo or logo color for a unique look.

KEY BENEFITS & FEATURES:

- Add your company logo to amplify your brand image, up to 11 inch logo (round or square, depending on logo)
- Two protective layers (e-coat primer and powder coating) ensure durability against sea salt water and other harsh conditions
- Meets AAMA 2604 Standard for color retention, erosion resistance, salt spray resistance and more
- 3-year limited warranty
- 34-gallon non-corrosive plastic liner included
- Upscale matte black finish conceals blemishes from heavy use
- Security cable and anchor kit included
- Made in the USA
