

The Metro

A Handsome Custom Container made with Steel

Clean lines and quality construction merge to create a Recycling Receptacle that is as visually stunning as it is functional. Metro Collection Recycling Receptacles complement any décor, traditional or contemporary.

Four heavy-duty feet keep the units slightly elevated to allow for air circulation and help restrict mold and mildew growth and unsightly discoloration of floor surfaces from "mop around" rings.

Complete "Recycling Receptacle" kit includes interchangeable steel tops; beveled Trash top, flat tops for Paper and Cans & Bottles.

Model	Capacity	Dimensions	Weight
RC-MTR-1	18 Gallons	14"l x 14"w x 31"h	41 lbs.
